**Larry S.** – Sunday Morning Miracle – 20-30 in attendance and going strong.

**Joe H.** - Rock River Serenity – Meeting still going. Hope to fish and grill out this summer.

### **PI/CPC:**

**Ken G.** – Just started this position and has no report at this time.

### **Hotline:**

**Jimmy L.** - Report via. Letter. A lot of people call about meetings. Please remind groups and clubhouses if they list these groups in schedule to be responsible; meaning: if your group meeting is in the schedule please be open so people don't get disappointed. There has been a lot of referral for inpatient help. People respond well to the call for help when I've asked them. I have not received one "no." Average of three calls a day on Hotline.

### **Grapevine:**

**Tamra L.** – absent

**Corrections:**

**Judy P.** – Still going good. She has four women who steadily attend the meetings and two are interested in attending. Attendance has been good. If anyone is interested in helping out with these meetings, you merely have to fill out a jail clearance form. You need only have one year of continuous sobriety to attend. Judy did receive one case of Big Books.

**Treatment:**

**Randy W.** – Went to Mercy Day Treatment today and all is good. Have plenty who want to go and share their experience, strength and hope. Have a new counselor and he praises the program of Alcoholics Anonymous. Took schedules around to other treatment places in town. Jackson House would rather have NA but was able to leave schedules.

**MAICO Rep:**

**Elaine S.** – (absent)

**Archives:**

**Jerry H.** – Did receive some of the group histories back from the GSRs. He will get more group history forms to those groups who request them.

**Special Needs:**

**Joe H.** – No request for special needs at this time.

**Old Business:**

Joe S. and Joe B. have been writing to those incarcerated. Good service-work if you're interested and it means a lot to the incarcerated too.

Randy W. says Announcements are still not getting out to all the Meetings such as who is speaking where and on what night. Randy would still like to find a solution for this problem.

Concerns were raised regarding difficulties in getting updated District 8 meeting schedules and the accuracy of the meeting listing at area75.org for District 8.

Dick brought up the issue of whether the DCM should be reimbursed for attending the upcoming Area Spring Conference.

**New Business:**

Dave A. approached Joel B. about creating a website for Rock County so people would be able to go to this website and find out what's going on. Both Districts could have a password to update the site. Get information in a centralized place. Suggestion: Ipage.com. \$3.50 a month. Ray E. says Grassroots.org has a free service for non-profit organizations. Meetings are listed for the 12&12 Drop In Center at the club's website.

That internet address is: **12and12DropInCenter.org**

Suggestion: Create a webmaster position?
