Old Business:

Webmaster position is open. Position requires knowledge of purchasing a domain, create a Website and keep site updated with events and post pdf fliers. Person also needed to keep District 8's events and fliers. Sue M. will ask Ray E. if he's interested as he has experience with the 12&12 Drop In Center's website. All monies involved will be voted on at a future District 30 Meeting.

District 30's bid to host the 2013 Area 75 conference was accepted by Area 75 at the summer assembly. Sharon gave an update on the dates. Currently the date submitted was the first weekend in May 2013. Area 75 asked that we try to secure the weekend of May 17-19 for the conference. Sharon and others will follow this request up with the Holiday Inn Conference center and report back with the information to Area 75 at the Area 75 fall assembly the year in 2010.

There were a couple of reasons for this request. One was to move it off of Mother's Day weekend and the other is that the General Service Conference is held in New York at the end of April every year. This later date would allow our, then, delegate to receive the final results of this GSO conference and will be able to make a current address, on AA as a whole, to us in Area 75 at our Spring 2013 conference.

Joel also stated that the summer assembly had GSR and DCM schools along with all the different committee meetings at the Area 75 level.

Jim B. has agreed to be the chairperson for the 2013 conference. Bill D. will be contacting Jim B. soon to fill him in on what needs to be accomplished for the 2013 Conference.

Cindy attended the International Conference in Texas recently. She really enjoyed the AA archives from the various states as well as some other countries that were represented. She wondered why WISCONSIN did not have their archives there. Alternate DCM Sharon said she would ask that question at the Area 75 Fall assembly.

DCM Dick S. had a flier for September 19, 2010. Area 75's permanent archives location will be showing a Bill and Bob movie as well as being opened for everyone to view the archives as they are every Sunday. Lunch and everything can be enjoyed that weekend.

New Meetings have started Monday thru Friday at the 12&12 Drop In Center @ 7:30 AM.

Fall Mini-Conference planning is coming along. Ken G. will let GSR's know when to turn in the ask-for-help Sign Up Sheets. Looking for donations from groups, however, coffee is not needed.

New Business:

Steps to Success picnic at Traxler Park tonight.

Jim L. is relinquishing his position as Hotline chair and will keep the Hotline until Ken G. (who has volunteered for this position) can get phone transferred.

PIC/PC position will be vacant and open to a volunteer.

Nancy S. will be speaking on Archives at our next District Meeting which will be postponed until September 10, 2010 due to Labor Day weekend.

Next Fall Mini-Conference planning meeting will be August 19, 2010 @ 5:00 PM. Meeting at the 12&12 Center.

Close with the Lord's Prayer

Next District 30 GSR Meeting will be September 10, 2010
