Cindy V. - Al-Anon District 25 (DR)

Meets the first Wednesday of every month @ St. John's Lutheran, 302 N. Parker Drive, Janesville, Wi.

Shared on Al-Anon/Alateen participation in an AA convention whether at the local area or AA regional level. Tradition Six states that: "...Although a separate entity, we should always cooperate with Alcoholics Anonymous."

The basic ingredients for a successful convention, as in all our service work, can be found in the application of all our Traditions: unity, reliance on our Higher Power, and the need to place principles above personalities.
