Saturday, April 10, 2010 St Rose School 218 N. Jackson, Cuba City

WILL YOU...GO TO ANY LENGTH??

Go To Any Length. We have heard it many times Will you be going? Will you help do what it takes to make it a successful event?

Final plans are taking shape and here are some of the topics we covered in random order:

We are having a very important **poster decorating potluck on Monday, March 29 at 5:30pm in Platteville.** Everyone (friends, family, children) are invited to help make posters for the mini-conference. Please bring a dish to pass for the potluck. At 8:00pm there is an open speaker meeting.

Dan W. from Dubuque will be our Alanon speaker for the conference and Anna P. has volunteered to help Valerie C. as co-chair for the Alanon activities.

Panel members for the old-timers panel will be recruited at the mini-conference.

It appears we will have 2 panels from outside the district; Dubuque and Mt. Horeb, but final arrangements are still being made.

As usual, every group in the district is asked to donate a can of ground coffee, and a couple of desserts to pass for the mini-conference. Please deliver the coffee to the district no later than April 9th.

Speaking of Friday, April 9th, we will be setting up St. Rose facilities that evening and everyone is welcome to come help.

Finally, Diana J., raffle chairperson, is actively seeking donations for the raffle.

CONFERENCE CHAIRPEOPLE

CONFERENCE-Frank G, Steve L, Eric L.
