**NEXT DISTRICT MTG. IS
MON. FEB. 22 @ 6:30PM**

Saturday, April 10, 2010 St Rose School 218 N. Jackson, Cuba City

Go To Any Lengths-Mini Conference

Most of the District Meeting was devoted to preparing for the Mini Conference. St. Rose School was visited by Steve L., Charlie O. and Ed M. recently and the facility will be adequate for what we need. There is ample parking and the school is handicap accessible. There is a full size gym for serving meals and speaker presentations. A small stage in the corner will serve as a speaker podium and accommodate the "Draagnet skit" that Charlie O. is directing.

We will be planning another visit to St Rose before the conference so other committee chairs can see the facility. We will be setting up and decorating Friday afternoon/evening before the conference.

Ted K., panel chairperson, is still organizing the 9 regular panels and the old timers panel. He is looking for meeting groups in the district to head panels. Ted also plans on having a panel or two headed by groups outside the district, to help increase conference attendance.

Ed M. kitchen chairperson, is planning to have food prepared by Weber's in Cuba City. He is also asking for volunteers to bring salads and desserts to pass.

Diana J., raffle chairperson, is actively seeking donations for the

raffle. At this time, give them to your GSR to drop off at the next District Mtg.

Al-anon activities are being co-chaired by Val and she is looking for assistance from other Al-anon members.

There are still many volunteers needed to make the mini-conference go smoothly. Please volunteer your services, especially for set-up, clean-up and kitchen service.

Here is the list of committee chairpeople to contact:

CONFERENCE-Frank G, Steve L, Eric L.
