- 1) October was a very busy month with MAICO selling literature at the New Glarus Mini-Conference on October 17<sup>th</sup> and then the Dist 8 & 30 Mini-Conference in Janesville on October 24<sup>th</sup>. We were thanked for bringing our merchandise to the conferences. It helped us financially since we sold \$504.22 at New Glarus and \$1,379.34 in Janesville. Also as I mentioned to Ken G. DCM for Dist. 30, it also helps for people to see what MAICO is and what merchandise we have if they have never come to the office in Madison. The next conference we have (after Youngtimers/Oldtimers) is WICYPAA in Wisconsin Dells on January 22 to 24<sup>th</sup>.
- 2) I went to a meeting with Area 75 PI Chair Liz and representatives of the Winnebago Land Central Office (Tim) and Milwaukee Central Office (Dan & Jim) at the Area 75 Fall Conference in Green Lake. Al B (Area 75 webmaster) was present and a few other interested AA members. Having one event calendar to cover all of Area 75 was discussed, Google Calendars was the idea. Each C.O. will have a gatekeeper to add information to their calendar which then will be a part of the Area 75 calendar so all the information is in one place. Each C.O. will have to set up a gmail account, which is free. Our next meeting will be on January 24<sup>th</sup> at the Area 75 Winter Assembly at Madison Senior Center. Also discussed would be to have a central page with all the meeting information for Area 75. It was suggested that we start with an events page and see how that goes first.
